

ATIS systems is an independent, privately owned company of long tradition. We are headquartered in Bad Homburg, near Frankfurt am Main, Germany, and for many years we have been working in the telecommunications sector, specialising in the fields of recording and analysis technology. A key technology partner for network providers, network equipment providers and law enforcement agencies, we are well-placed in the market.

For our team we are recruiting a

Software Test Engineer (m/f/o)

Your challenging new tasks include:

- Analysis of concept documents and methodological development of use cases and test scenarios,
- Testing in the field of system tests of graphical user interfaces,
- Preparation and execution of regression and load/performance testing,
- Assessment, analysis and documentation of test results,
- Implementation of test tools for test data simulation,
- Conceptualization of test system architecture in native and virtual environments.

Your qualifications - extensive know-how and hands-on experience:

- Completed university degree (e.g. in computer science, business information systems) or an adequate qualification with relevant work experience.
- Knowledge of software tests (procedures, tools, simulators) in the field of GUI testing and/or in the field of integration/load/performance testing of distributed systems (ideally in the Telco/ISP environment),
- Experience in using analysis test tools (e.g. Wireshark, TCP Dump) is a plus,
- Technical knowledge of Linux operating systems (RHEL or others) and, ideally, of network protocols (e.g. TCP/IP, VoIP, IPv4/IPv6) in LINUX, Windows,
- Familiar with visualization programmes (VMware, VirtualBox) and Shellscripting (Bash/Perl),
- Certification in accordance with ISTQB / SAQ is an advantage,
- You are a team player, you are committed and interested in improving yourself.

What we offer:

- Interesting assignments in international project teams.
- A safe job in a company of long tradition.
- A challenging position that allows for professional development.
- A long-term personal perspective with an attractive, performance-based salary.
