

ATIS systems is an independent, privately-owned company of long tradition. We are headquartered in Bad Homburg, near Frankfurt am Main, Germany, and for many years we have been working in the telecommunications sector, specializing in the fields of recording and analysis technology. A key technology partner for network providers, network equipment providers and law enforcement agencies, we are exceedingly well-placed in the market.

As our business is growing steadily, for our team we are recruiting a

Technical Writer (m/f/d)

Your main task is to create and develop the documentation of our products. This includes user manuals as well as further technical documentation such as operation, installation or administration manuals and system descriptions. In particular, this demands an ability to recognize and analyse technical backgrounds and subsequently document the results in a comprehensible, replicable and well-structured fashion that is suited for the specific target audience. Ideally, you are able to translate these documents into English and French.

Your qualifications - extensive know-how and hands-on experience:

- training or degree in Technical Writing or Translation with a focus on technology or equivalent training or degree,
- several years of professional experience in the telecommunications field or in technologically similar fields,
- very good technical understanding,
- very good written and spoken German and English skills,
- proficient use of MS Office and graphic editing software,
- ideally, experience working with content management systems.

The benefits we offer - attractive and full of perspective:

What we offer:

- A modern and safe job in a midsize company of long tradition.
- A close team whose members work as a well-established unit.
- A challenging and interesting position with a lot of personal responsibility.
- Interesting options of continuing professional education.
- Flexible working hours, flat organization and a pleasant work climate.
- A long-term personal perspective with an attractive, performance-based salary.

Look ahead with us and send us your application (incl. your salary expectation and availability) via:
