

ATIS systems is an independent, privately owned company of long tradition. We are headquartered in Bad Homburg, near Frankfurt am Main, Germany, and for many years we have been working in the telecommunications sector, specialising in the fields of recording and analysis technology. A key technology partner for network providers, network equipment providers and law enforcement agencies, we are well-placed in the market.

As our business is growing steadily, for our team we are recruiting a

IT Security Manager (all genders)

Your challenging new tasks include:

- creation, coordination and development of project-specific ISMS and their components based on BSI baseline IT security
- creation, coordination and development of central security concepts and documentation in the field of IT security and corresponding modelling in a baseline security database
- coordination of the security concepts and the resulting security measures between the various areas of responsibility
- support of our departments and customers concerning issues in the field of IT security
- presentations, e.g. of security concepts and measures, for our departments or customers

Your qualifications - extensive know-how and hands-on experience:

- a completed university degree in (business) informatics or comparable experience in the IT field,
- profound experience (>3 years) in the field of information security
- very good skills using a common baseline IT security tool (e.g. Verinice or SAVe) and the BSI baseline IT security standards
- very good communication and presentation skills as well as a very good ability to cooperate, a willingness to innovate, and persuasiveness.
- ideally, a certification in the field of information security (e.g. ISO/IEC 27001 Lead Implementer/Auditor, CISSP, T.I.S.P., CEH, CompTIA Security+)
- business-fluent German and very good knowledge of English

The benefits we offer - attractive and full of perspective:

What we offer:

- A modern and safe job in a midsize company of long tradition.
- A close team whose members work as a well-established unit.
- A challenging and interesting position with a lot of personal responsibility.
- Interesting options of continuing professional education.
- Flexible working hours, flat organization and a pleasant work climate.
- A long-term personal perspective with an attractive, performance-based salary

Look ahead with us and send us your application (incl. your salary expectation and availability) via:
