

Web Developer (all genders)

ATIS systems is an independent, privately-owned company of long tradition. We are headquartered in Bad Homburg, near Frankfurt am Main, Germany, and for many years we have been working in the telecommunications sector, specializing in the fields of recording and analysis technology. A key technology partner for network providers, network equipment providers and law enforcement agencies, we are exceedingly well-placed in the market.

This is what we do:

- Full-stack development
 - Web UI (clients with React / Typescript)
 - Backend (Java SE)
- Optimization of performance
- Connection of databases
- Integration of search engines
- Integration of biometric analyses

This is what we're looking for:

- Passion for coding and creating UI
- Attention to detail
- Creativity
- Interest in new technologies
- Ideally, previous experience in the technologies we use
 - React and Typescript
 - Java SE
 - ORMs (e.g. Hibernate)
 - XML and JSON
 - Linux skills

This is what we've got to offer:

- Interesting and challenging tasks
- Hybrid work model
- Training opportunities
- Team work and team spirit
- Future-proof job
